

Solidarity with refugees and migrants

our demands are:

- stop deportation
- stop the isolation of migrants
- stop of racist controls against refugees and people of colour
- stop the isolation of refugees in camps and in bad accommodation
 - stop the separation from our families
- stop the militarisation of fortress europe – stop the killing on the borders, in the mediterranean sea and in the deserts
 - stop the war on migrants

we need equal rights in the aspects of:

- health care
- access to medication
- permission to work
- access to the social system
- freedom of movement
- right to live and work
- sharing our lives with our families

in the name of humanity we refuse to accept the neglection and injustice against the people of colour and refugees!
