**Invitation to get to know each other and

We say:

No more deportations!

No matter where to!

No to deportation-prisons!

No to police violence!

Since now we are around 30 people of self-organized groups and individuals who came together last year to start to organize ourselves for a demonstration against deportation, which will be on the 18.04.2020! After this we want to continue to be active together.

We want to invite you to be part of a network and activities of different people and groups to stop deportations!

To get to know each other, exchange experiences, knowledge and ideas we can use the rooms in Centro Sociale (Sternstraße 2 / U-Bahnstation Feldstraße) on Saturday 29.02.2020 from 11 am to 5 pm.

There is NO fixed programm till now. Till now there is the idea to make:

- a room to change experience about deportations
- chai and food in an area to sit and talk
- exchange of ideas, questions, demands and needs for the demonstration
- informations about different groups
- presentation of „school against deportations“
- performance activity
- workshop/collection about argumentation against deportations & activities
- ...

If you want to take part with something (workshop, presentation, food, music...whatever) please feel invited to join. It would be helpful to contact us till the 16.02.2020. On this day we will have our next meeting on 4 to 7 pm in LIZ (Karolinenstraße 21a, small house in the backyard).
